of metal, for storage or transport, unworked or semi-worked bone, horn, whalebone or mother-of-pearl, shells, meerschaum, yellow amber, furniture for kitchens, bedrooms and bathrooms, non-metallic hardware, non-metallic wall plugs, cleats and clips, pipe clips, containers and closures, ladders, fastening, securing and locking devices, fasteners, fixings, fixing plugs and anchors, connectors, securing devices, pipe or cable clips, cleats, fixing plugs, coupling devices, joints, ball-joints, junctions, screws, bolts, locks, nuts, rivets, nails, clips, pins, collars, sleeves, clamps, rod ends, clevises, anchors, expansion plugs, frame anchors, frame fixings, hammer fixings, hollow wall anchors, anchor devices, sleeve anchors, drop-in anchors, cable drums (non-mechanical), mirrored tiles, non-metallic towel hooks and rails, shower curtain rails, shelves and racks, shelves of metal, household or kitchen utensils and containers, combs and sponges, brushes, except paintbrushes, brush-making materials, articles for cleaning purposes, unworked or semi-worked glass, except building glass, glassware, porcelain and earthenware, bathroom fittings, soap boxes, soap dishes, soap dispensers, sponge holders, toothbrush holders, toilet utensils, toilet roll holders, towel rails, towel rings, bath racks of metal, toilet brush holders of metal, robe hooks, ropes and string, nets, tents and tarpaulins, awnings of textile or synthetic materials, sails, sacks for the transport and storage of materials in bulk, padding, cushioning and stuffing materials, except of paper, cardboard, rubber or plastics, raw fibrous textile materials and substitutes therefor, textiles and substitutes for textiles, household linen, curtains of textile or plastic, toilet covers, shower curtains, towels and flannels, clothing, footwear, headgear, work shoes, work boots, work overalls, carpets, rugs, mats and matting, linoleum and other materials for covering existing floors, wall hangings (non-textile), shower mats, bath mats, and parts and fittings for all the aforesaid goods; consultancy and advisory services relating to the aforesaid services.

Class 37:

Building construction; repair; installation services; building construction and demolition; the hire, repair, installation and maintenance of building, excavation, compacting and construction equipment; the hire, repair, installation and maintenance of building, construction, plumbing and heating supplies, installations and materials; rental of tools, plant and equipment for construction and demolition; construction project management services; the installation and repair of apparatus and installations for lighting, heating, cooling, air conditioning, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, sanitary ware, furniture, fireplaces, solar plates and panels, solar cylinders and solar thermal collectors; the hire, repair, installation and maintenance of equipment, tools and machinery used in the fibre optic industry including, machines and machine tools, cable locators, control units, cutting equipment, generators, hand tools, fibre blowing machines and parts and fittings for the aforesaid goods; the hire, repair, installation and maintenance of equipment, tools and machinery used in the utilities industry including machines and machine tools, welding apparatus, equipment and machinery, clamps, control units, cutting equipment, butt fusion and electrofusion welding machines, generators, hand tools, pumps, electric machinery (thermofusion and electrofusion) for joining pipes, and parts and fittings for the aforesaid goods; the hire, repair, installation and maintenance of equipment, tools and machinery used in the electrical engineering industry including, machines and machine tools, cable locators, control units, cutting equipment, generators, hand tools, and parts and fittings for the aforesaid goods; painting and decorating; cleaning

services; rental of construction equipment; building construction supervision; construction information; building, construction, refurbishment and engineering project management; consultancy and advisory services relating to aforesaid.

Class 39:

Transport; packaging and storage of goods; travel arrangement; transport, courier, delivery and distribution services; rental of means of transportation; consultancy and advisory services relating to aforesaid.

Class 40:

Treatment of materials; transformation of materials; custom manufacture and assembly services; cutting and shaping of building materials; cutting and shaping of pipes; glass cutting services; fibre blowing; consultancy and advisory services relating to the aforesaid.

Class 41:

Education; providing of training; entertainment; sporting and cultural activities; teaching; arranging and conducting colloquiums, training workshops, seminars, conferences, congresses, symposiums and academies; coaching; correspondence courses; provision of educational and training information, guidance and advice; instructional services; organisation of exhibitions for training and educational purposes; publication of training and educational materials; providing online electronic publications; non-downloadable electronic training and educational publications; consultancy and advisory services relating to the aforesaid.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis and research services; design and development of computer hardware and software; electronic data storage; calibration of measuring instruments; calibration services; testing of equipment; provision of energy efficiency advisory and consultancy services; design services; engineering services; surveying and exploration services; architectural and urban planning services; civil engineering; planning and design of buildings; design planning; design of engineered building systems; design of industrial and residential buildings; monitoring of building structures; quality control of building materials and completed buildings; research on building construction and development planning; technological research; architectural and engineering project management services; off-site building project management; project management (design); inspection of pipelines; project studies and professional consultancy services, all relating to power generation, supply and distribution; geological, chemical, technical and scientific research services; geological surveys; industrial design services; materials evaluation and testing; technical consultancy services; materials testing; technical project studies; geological prospecting; consulting services relating to the science of water; engineering; land surveying; pilot plant and laboratory testing; mechanical engineering; consultancy and advisory services relating to the aforesaid.

small items of metal hardware; pipes and tubes of metal; metal containers for storage or transport; safes; ores; building and construction materials and elements of metal; railway materials; metal access covers and chambers; metal gratings; hoses; valves; drainage plates, channels, profiles, courses and pipes of metal; non-electric ducting, conduits and installations of metal; downpoles of metal for the ducting of wires; manifolds of metal for pipelines; high-pressure pipelines of metal; branching tubes of metal for pipelines; metal valves for controlling the flow of fluids or gases in pipelines; tanks of metal, separation tanks of metal; metal hardware; nuts, bolts and fasteners; metal cleats; locks and keys; welding and soldering material; cables, wires and chains; doors, gates, windows and window coverings of metal; structures of metal; signs and information displays; ladders and scaffolding; containers and transportation and packaging articles of metal; metal handrails for baths and showers, metallic bathroom tiles, towel hooks, robe hooks of metal, baskets of metal, bath racks of metal; parts and fittings for the aforesaid goods.

Class 7:

Machines and machine tools; motors and engines (except for land vehicles); machine coupling and transmission components (except for land vehicles); agricultural implements other than hand-operated; incubators for eggs; automatic vending machines; pumps, compressors and fans; electric pumps; valves; water pumps, shower pumps; generators; construction equipment; moving and handling equipment; machines and machine tools for treatment of materials; cutting, drilling, abrading, sharpening and surface treatment equipment; power tools; power operated plumbing snakes; machinery and tools for cutting, stripping and laying of pipes and cables; engines, powertrains, and machine parts, and controls for the operation of machines and engines; dispensing machines and guns; fibre blowing machines; butt fusion and electrofusion tooling and equipment; parts and fittings for the aforesaid goods.

Class 8:

Hand tools and implements (hand-operated); cutlery; side arms; razors; hand tools and implements; hand-operated tools and implements for treatment of materials, and for construction, repair and maintenance; lifting tools; parts and fittings for the aforesaid goods.

Class 9:

Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; compact discs, DVDs and other digital recording media; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment, computers; computer software; fire-extinguishing apparatus; electrical flexes, wires and cables; electrical wiring accessories; plugs, plug sockets, switches, switch boxes, protection devices for electric circuits, fuse boxes, safety fuses, connections; switchgear, transformers, earthing accessories, fuses; solar cell plates; fibre optics, fibre optic cables, couplings, panels, receptors, junctions, sheaths and sleeves; telecommunication equipment and apparatus; control units for electrical appliances, cable and extension reels for use therewith; circuit breakers; socket outlets for coaxial cable plugs; conduit and housings for electric cables; junction boxes,

earth sleeves for cable; control apparatus and instruments for use with or being parts of heating or water supply installations; light switches, light pulls; protective and safety equipment; head protection and eye protection; protective clothing, footwear and headgear; safety clothing, footwear and headgear; safety gloves; ducting for electrical cables; measuring, detecting and monitoring instruments, indicators and controllers; sensors and detectors; meters and meter boxes, meter modules, street cabinets; testing and quality control devices; cable and pipe location devices; ; measuring, counting, alignment and calibrating instruments; controllers (regulators); thermostats; timers; educational and training computer software programs; computerised database; downloadable electronic publications; downloadable electronic training and educational publications; parts and fittings for the aforesaid goods.

Class 11:

Apparatus and installations for lighting, heating, cooling, air conditioning, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; sanitary ware; flues and installations for conveying exhaust gases; sanitation equipment; sanitary and bathroom installations; bathroom suites, bathroom fixtures and fittings; basin, bath, bidet, sink, toilet and shower installations; shower systems; basins, baths, bidets, sinks, toilets, showers, spa baths, whirlpools; bath panels and shower screens; bath fillers, bath wastes; shower cubicles, enclosures, cabinets, stalls, doors, shower screens, panels, shower trays and cases, shower heads and spray heads, brackets for supporting shower heads and spray heads, shower spray sets, shower mixing valves; taps, mixers and faucets, bath/shower mixers, basin mixers, spouts, diverters, plumbing fixtures; water purification, desalination and conditioning installations; sterilisation, disinfection and decontamination equipment; filters for industrial use; irrigation systems; water pressure tanks, septic tanks, valves, burners, boilers and heaters, space heaters, water heaters, shower heaters, towel heaters, towel rails , heated towel rails, immersion heaters, cylinders, radiators, radiator valves, shower valves, isolating valves, safety valves; fireplaces, underfloor heating; solar panels, solar cylinders, solar thermal collectors; water tanks, toilet tanks, flushing tanks and lids for toilet tanks and flushing tanks; fans, extractor fans; extractor unit (ventilation); regulating and safety apparatus for water or gas apparatus and pipes; waste assemblies and fittings for baths, basins and sanitary ware; pipes, hoses and connector parts of bath, basin, shower and sink plumbing installations; shower hoses; toilet seats, toilet bowls; cisterns; cistern levers; plugs and chains for basins, showers, baths and bidets; vanity units being wash hand basins; vanity units incorporating basins (connected to the water supply); lighting apparatus; wall lights, ceiling lights, light fittings; metal shower enclosures; industrial treatment installations; regulating and safety accessories for water and gas installations; lighting reflectors; parts and fittings for the aforesaid goods.

Class 16:

Paper and cardboard; wrapping and packaging materials; plastic sheets, films and bags for wrapping and packaging; bubble wrap; paint rollers and paintbrushes; parts and fittings for the aforesaid goods.

Class 17:

Unprocessed and semi-processed rubber, gutta-percha, gum, asbestos, mica and substitutes for all these materials; plastics and resins in extruded form for use in manufacture; packing, stopping and insulating materials; flexible pipes, tubes and hoses,

household or kitchen utensils and containers, combs and sponges, brushes, except paintbrushes, brush-making materials, articles for cleaning purposes, unworked or semi-worked glass, except building glass, glassware, porcelain and earthenware, bathroom fittings, soap boxes, soap dishes, soap dispensers, sponge holders, toothbrush holders, toilet utensils, toilet roll holders, towel rails, towel rings, bath racks of metal, toilet brush holders of metal, robe hooks, ropes and string, nets, tents and tarpaulins, awnings of textile or synthetic materials, sails, sacks for the transport and storage of materials in bulk, padding, cushioning and stuffing materials, except of paper, cardboard, rubber or plastics, raw fibrous textile materials and substitutes therefor, textiles and substitutes for textiles, household linen, curtains of textile or plastic, toilet covers, shower curtains, towels and flannels, clothing, footwear, headgear, work shoes, work boots, work overalls, carpets, rugs, mats and matting, linoleum and other materials for covering existing floors, wall hangings (non-textile), shower mats, bath mats, and parts and fittings for all the aforesaid goods; consultancy and advisory services relating to the aforesaid services.

Class 37:

Building construction; repair; installation services; building construction and demolition; the hire, repair, installation and maintenance of building, excavation, compacting and construction equipment; the hire, repair, installation and maintenance of building, construction, plumbing and heating supplies, installations and materials; rental of tools, plant and equipment for construction and demolition; construction project management services; the installation and repair of apparatus and installations for lighting, heating, cooling, air conditioning, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, sanitary ware, furniture, fireplaces, solar plates and panels, solar cylinders and solar thermal collectors; the hire, repair, installation and maintenance of equipment, tools and machinery used in the fibre optic industry including, machines and machine tools, cable locators, control units, cutting equipment, generators, hand tools, fibre blowing machines and parts and fittings for the aforesaid goods; the hire, repair, installation and maintenance of equipment, tools and machinery used in the utilities industry including machines and machine tools, welding apparatus, equipment and machinery, clamps, control units, cutting equipment, butt fusion and electrofusion welding machines, generators, hand tools, pumps, electric machinery (thermofusion and electrofusion) for joining pipes, and parts and fittings for the aforesaid goods; the hire, repair, installation and maintenance of equipment, tools and machinery used in the electrical engineering industry including, machines and machine tools, cable locators, control units, cutting equipment, generators, hand tools, and parts and fittings for the aforesaid goods; painting and decorating; cleaning services; rental of construction equipment; building construction supervision; construction information; building, construction, refurbishment and engineering project management; consultancy and advisory services relating to aforesaid.

Class 39:

Transport; packaging and storage of goods; travel arrangement; transport, courier, delivery and distribution services; rental of means of transportation; consultancy and advisory services relating to aforesaid.

Class 40:

Treatment of materials; transformation of materials; custom manufacture and assembly services; cutting and shaping of

building materials; cutting and shaping of pipes; glass cutting services; fibre blowing; consultancy and advisory services relating to the aforesaid.

Class 41:

Education; providing of training; entertainment; sporting and cultural activities; teaching; arranging and conducting colloquiums, training workshops, seminars, conferences, congresses, symposiums and academies; coaching; correspondence courses; provision of educational and training information, guidance and advice; instructional services; organisation of exhibitions for training and educational purposes; publication of training and educational materials; providing online electronic publications; non-downloadable electronic training and educational publications; consultancy and advisory services relating to the aforesaid.

Class 42:

Scientific and technological services and research and design relating thereto; industrial analysis and research services; design and development of computer hardware and software; electronic data storage; calibration of measuring instruments; calibration services; testing of equipment; provision of energy efficiency advisory and consultancy services; design services; engineering services; surveying and exploration services; architectural and urban planning services; civil engineering; planning and design of buildings; design planning; design of engineered building systems; design of industrial and residential buildings; monitoring of building structures; quality control of building materials and completed buildings; research on building construction and development planning; technological research; architectural and engineering project management services; off-site building project management; project management (design); inspection of pipelines; project studies and professional consultancy services, all relating to power generation, supply and distribution; geological, chemical, technical and scientific research services; geological surveys; industrial design services; materials evaluation and testing; technical consultancy services; materials testing; technical project studies; geological prospecting; consulting services relating to the science of water; engineering; land surveying; pilot plant and laboratory testing; mechanical engineering; consultancy and advisory services relating to the aforesaid.

BLUEBAY BUILDING PRODUCTS

Class 1:

Chemicals used in industry, science and photography, as well as in agriculture, horticulture and forestry; unprocessed

artificial resins, unprocessed plastics; manures; fire extinguishing compositions; tempering and soldering preparations; chemical substances for preserving foodstuffs; tanning substances; adhesives used in industry; solvents; fluxes; damp proofing preparations; mastics; industrial adhesives for use in metal working, plumbing and building; flushing agents for heating systems; chemical additives for boilers; water treatment chemicals; chemical compositions for use in construction; filtering media of chemical and non-chemical substances included in the class; putties, fillers and pastes for use in industry and construction.

Class 4:

Industrial oils and greases; lubricants; dust absorbing, wetting and binding compositions; fuels (including motor spirit) and illuminants; candles and wicks for lighting; electrical energy from renewable sources; oils for preserving concrete and masonry.

Class 6:

Common metals and their alloys, ores; metal materials for building and construction; transportable buildings of metal; non-electric cables and wires of common metal; ironmongery, small items of metal hardware; pipes and tubes of metal; metal containers for storage or transport; safes; ores; building and construction materials and elements of metal; railway materials; metal access covers and chambers; metal gratings; hoses; valves; drainage plates, channels, profiles, courses and pipes of metal; non-electric ducting, conduits and installations of metal; downpoles of metal for the ducting of wires; manifolds of metal for pipelines; high-pressure pipelines of metal; branching tubes of metal for pipelines; metal valves for controlling the flow of fluids or gases in pipelines; tanks of metal, separation tanks of metal; metal hardware; nuts, bolts and fasteners; metal cleats; locks and keys; welding and soldering material; cables, wires and chains; doors, gates, windows and window coverings of metal; structures of metal; signs and information displays; ladders and scaffolding; containers and transportation and packaging articles of metal; metal handrails for baths and showers, metallic bathroom tiles, towel hooks, robe hooks of metal, baskets of metal, bath racks of metal; parts and fittings for the aforesaid goods.

Class 7:

Machines and machine tools; motors and engines (except for land vehicles); machine coupling and transmission components (except for land vehicles); agricultural implements other than hand-operated; incubators for eggs; automatic vending machines; pumps, compressors and fans; electric pumps; valves; water pumps, shower pumps; generators; construction equipment; moving and handling equipment; machines and machine tools for treatment of materials; cutting, drilling, abrading, sharpening and surface treatment equipment; power tools; power operated plumbing snakes; machinery and tools for cutting, stripping and laying of pipes and cables; engines, powertrains, and machine parts, and controls for the operation of machines and engines; dispensing machines and guns; fibre blowing machines; butt fusion and electrofusion tooling and equipment; parts and fittings for the aforesaid goods.

Class 8:

Hand tools and implements (hand-operated); cutlery; side arms; razors; hand tools and implements; hand-operated tools and implements for treatment of materials, and for construction,

repair and maintenance; lifting tools; parts and fittings for the aforesaid goods.

Class 9:

Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; compact discs, DVDs and other digital recording media; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment, computers; computer software; fire-extinguishing apparatus; electrical flexes, wires and cables; electrical wiring accessories; plugs, plug sockets, switches, switch boxes, protection devices for electric circuits, fuse boxes, safety fuses, connections; switchgear, transformers, earthing accessories, fuses; solar cell plates; fibre optics, fibre optic cables, couplings, panels, receptors, junctions, sheaths and sleeves; telecommunication equipment and apparatus; control units for electrical appliances, cable and extension reels for use therewith; circuit breakers; socket outlets for coaxial cable plugs; conduit and housings for electric cables; junction boxes, earth sleeves for cable; control apparatus and instruments for use with or being parts of heating or water supply installations; light switches, light pulls; protective and safety equipment; head protection and eye protection; protective clothing, footwear and headgear; safety clothing, footwear and headgear; safety gloves; ducting for electrical cables; measuring, detecting and monitoring instruments, indicators and controllers; sensors and detectors; meters and meter boxes, meter modules, street cabinets; testing and quality control devices; cable and pipe location devices; ; measuring, counting, alignment and calibrating instruments; controllers (regulators); thermostats; timers; educational and training computer software programs; computerised database; downloadable electronic publications; downloadable electronic training and educational publications; parts and fittings for the aforesaid good.

Class 11:

Apparatus and installations for lighting, heating, cooling, air conditioning, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes; sanitary ware; flues and installations for conveying exhaust gases; sanitation equipment; sanitary and bathroom installations; bathroom suites, bathroom fixtures and fittings; basin, bath, bidet, sink, toilet and shower installations; shower systems; basins, baths, bidets, sinks, toilets, showers, spa baths, whirlpools; bath panels and shower screens; bath fillers, bath wastes; shower cubicles, enclosures, cabinets, stalls, doors, shower screens, panels, shower trays and cases, shower heads and spray heads, brackets for supporting shower heads and spray heads, shower spray sets, shower mixing valves; taps, mixers and faucets, bath/shower mixers, basin mixers, spouts, diverters, plumbing fixtures; water purification, desalination and conditioning installations; sterilisation, disinfection and decontamination equipment; filters for industrial use; irrigation systems; water pressure tanks, septic tanks, valves, burners, boilers and heaters, space heaters, water heaters, shower heaters, towel heaters, towel rails , heated towel rails, immersion heaters, cylinders, radiators, radiator valves, shower valves, isolating valves, safety valves; fireplaces, underfloor heating; solar panels, solar cylinders, solar thermal collectors; water tanks, toilet tanks, flushing tanks and lids for toilet tanks and flushing tanks; fans, extractor fans; extractor

unit (ventilation); regulating and safety apparatus for water or gas apparatus and pipes; waste assemblies and fittings for baths, basins and sanitary ware; pipes, hoses and connector parts of bath, basin, shower and sink plumbing installations; shower hoses; toilet seats, toilet bowls; cisterns; cistern levers; plugs and chains for basins, showers, baths and bidets; vanity units being wash hand basins; vanity units incorporating basins (connected to the water supply); lighting apparatus; wall lights, ceiling lights, light fittings; metal shower enclosures; industrial treatment installations; regulating and safety accessories for water and gas installations; lighting reflectors; parts and fittings for the aforesaid goods.

Class 16:

Paper and cardboard; wrapping and packaging materials; plastic sheets, films and bags for wrapping and packaging; bubble wrap; paint rollers and paintbrushes; parts and fittings for the aforesaid goods.

Class 17:

Unprocessed and semi-processed rubber, gutta-percha, gum, asbestos, mica and substitutes for all these materials; plastics and resins in extruded form for use in manufacture; packing, stopping and insulating materials; flexible pipes, tubes and hoses, not of metal; rubber, gutta-percha, gum, asbestos, mica and goods made from these materials and not included in other classes; seals, sealants and fillers; elastomeric sealants in the form of extrudable pastes for joints; joint sealants; silicone sealants; insulation and barrier articles and materials; thermal, electrical and acoustic insulation articles and materials; fire resistant and fire preventative articles and materials; products in the nature of sealants; silicone rubber sealants; insulating mastics; sealing compounds; adhesive tapes, strips, bands and films; flexible pipes not of metal; pipes, hoses and tubes not of common metal; pipe gaskets, pipe jackets, pipe muffs, joint packing for pipes, junctions for pipes, reinforcing materials for pipes; fastenings, connectors, couplings, clips, pipe clips, hose and tubes; pipe saddles; plastics in the form of rods, bars, sheets and shaped sections; pipes, tubes, and hose and fittings therefor; sleeving for electrical cable, cable and extension reels for use therewith; filters and filtering materials; waterproofing articles and materials; parts and fittings for the aforesaid goods.

Class 19:

Building materials (non-metallic); non-metallic rigid pipes for building; asphalt, pitch and bitumen; non-metallic transportable buildings; monuments, not of metal; building and construction materials and elements, not of metal; railway materials; pipes, tubes and valves; doors, gates, windows and window coverings not of metal; structures not of metal; signs and information displays; scaffolding; non-metallic access covers and chambers; non-metallic grating; non-metallic drainage installations, channels, courses and pipes; non-woven fabrics for land drainage; non-electric, non-metallic ducting installations; tanks; tar and asphalt; stone, rock, clay and minerals; timber, wood and artificial wood; sealants; damp proofing membranes; roofing, flooring, tiles; parts and fittings for the aforesaid goods.

Class 22:

Ropes and string; nets; tents and tarpaulins; awnings of textile or synthetic materials; sails; sacks for the transport and storage of materials in bulk; padding, cushioning and stuffing materials, except of paper, cardboard, rubber or plastics; raw fibrous textile materials and substitutes therefor; parts and fittings for the aforesaid goods.

purposes; alarms; acoustic alarms; biometric locks; electronic access control systems for interlocking doors; ear pads for headphones.

Class 10:

Electric massage guns; esthetic massage apparatus; massage apparatus; balling guns; blankets, electric, for medical purposes; hearing protectors; medical apparatus and instruments; pill crushers; dosage dispensers for medical use; radiotherapy apparatus; insufflators; hearing aids; body fat monitors; electric facial aesthetic treatment apparatus, other than facial steamers; therapeutic facial masks.

Class 11:

Taps; faucets; cooking utensils, electric; cooking apparatus and installations; multicookers; freezers; refrigerators; Air heat recovery installations; Heat recovery ventilators; fans for air conditioning apparatus; ventilating exhaust fans; ventilation [air-conditioning] installations and apparatus; Air-conditioning, air cooling and ventilation apparatus and instruments; air-conditioning apparatus; air-conditioning installations; water heaters; Hot water tanks [heating apparatus]; Electrically heated hot water tanks; Central heating installations; Central air-conditioning installations; Central heating radiators; Plumbing fittings, namely bibbs, cocks, traps, valves; hair dryers; lighting apparatus and installations; Electric heaters; Room heaters; Air purifiers; dehumidifiers; electric fans for personal use; kettles, electric; Ice cream makers, electric; Air fryers; Electric tea and coffee making apparatus; electric induction hobs; Cooktop; electric rice cooker; lamps; microwave ovens [cooking apparatus]; air filtering installations; air purifying apparatus and machines; disinfectant apparatus; water flushing installations; pressure cookers, electric; hot water cylinders.

Class 12:

Motors and engines for land vehicles; couplings and transmission components for land vehicles; parts of vehicles, for example, bumpers, windscreens, steering wheels; cars; bicycles; bicycle brakes; bicycle frames; bicycle handlebars; bicycle chains; bicycle motors; gears for bicycles; dress guards for bicycles; mobility scooters; sports cars; self-balancing scooters; push scooters [vehicles].

Class 17:

Insulation materials, namely, fire-resistant doors comprised of reinforced cement and steel; Fire resistant and fire preventive articles and materials; Non-metal couplings for fire hoses; Fire barrier system comprised of metal and fiber laminates for wrapping conduits, cable trays, and structural steel; Material for thermal insulation and fire protection, namely, fire-resistant composite panels made of aramid, glass, carbon or ceramic fibers; Flexible plastic pipes for plumbing purposes; Plastic conduit for plumbing use.

Class 19:

Building materials, namely, fire and blast-resistant doors comprised primarily of reinforced cement and also including steel elements; fireclay or grog [fired refractory material]; Fire protection materials (Non-metallic -) for use in building; wooden floor boards; Wooden wainscoting; Wooden veneers; Sun louvres of glass for buildings; Sun screens [outdoor], not of metal or textile; Exterior sun screens, not of metal and not of textile; Patio doors [non-metallic frame]; Decking (Non-metallic -); roofing, not of metal; floor tiles, not of metal; tiles, not of metal, for building; roofing tiles, not of metal; balustrades, not of metal;

Gutter pipes, not of metal; roof gutters, not of metal; partitions, not of metal; building glass; safety glass; staircases, not of metal; branching pipes, not of metal; water-pipes, not of metal; shutters, not of metal; bricks; props, not of metal; Non-metal skylights; wall tiles, not of metal; doors, not of metal; parquet floor boards; floors, not of metal; Pre-fabricated walls, not of metal; Pre-fabricated houses, not of metal.

Class 20:

Earthquake-Resistant Bed; cupboard; bamboo curtains; bead curtains for decoration; racks [furniture]; valves of plastic, other than parts of machines; Prefabricated closet organization systems; Capsule-shaped furniture featuring built-in multimedia equipment; Modular furniture; Soft sculpture wall decorations; furniture; furniture fittings, not of metal; wardrobes; beds; indoor window blinds [furniture]; lockers [furniture]; locks, not of metal, other than electric; chairs [seats]; cushions; desks; mirror tiles; sofas.

Class 21:

Trash containers for household use; automated (AI or IoT enabled) trash containers; heads for electric toothbrushes; toothbrushes; toothbrushes, electric; beaters, non-electric; blenders, non-electric, for household purposes; bottle openers, electric and non-electric; coffee filters, non-electric; coffee percolators, non-electric; coffeepots, non-electric; cooking pots, non-electric; cooking utensils, non-electric; deep fryers, non-electric; dishwashing brushes; kettles, non-electric; kitchen grinders, non-electric; meat grinders, non-electric; polishing apparatus and machines, for household purposes, non-electric; food steamers, non-electric; electric facial cleansers; dustbins for household purposes; automatic opening and closing trash cans for household purposes; dusting apparatus, non-electric; cleaning instruments, hand-operated; water flossers; aromatic oil diffusers, other than reed diffusers, electric and non-electric; Air fragrancing apparatus; Ice cream makers, non-electric; Coffee makers, non-electric; Personal dispensers for pills or capsules for domestic use.

Class 24:

Textiles and substitutes for textiles; household linen; curtains of textile or plastic; door curtains; net curtains; curtains; Wall hangings of textile.

Class 35:

Promoting the interests of the designer community by means of encouraging collaboration to achieve advances in the field of building information modeling (BIM); Providing an on-line computer database featuring product comparisons, product reviews and pricing information about housing construction; project management services for others for business purposes in the fields of architecture, interior design and new home and office construction; online retail store services featuring home and office design projects available for implementation; retail store and wholesale services in relation to bespoke manufactured buildings, prefabricated buildings and residential accommodation units; construction cost estimating and engineering, namely, construction cost analysis services; procurement services for others, namely, purchasing of construction supplies, construction materials, mechanical, electrical, fire suppression, lighting, and plumbing equipment and materials.

Class 37:

List of cases accepted for opposition purposes as shown in Journal 2025/040 published on 03 October 2025 .

Custom construction of residential and commercial buildings, homes, offices and other permanent habitable structures; Contractor services, namely, installing plumbing, electrical and mechanical systems for others; mechanical, electrical and plumbing consulting services, namely consulting services in the field of installation, maintenance and repair of mechanical, electrical, plumbing, fire protection and alarm hardware; roof consulting services; on-site construction of prefabricated houses; custom building of prefabricated buildings.

Class 40:

Custom manufacture of prefabricated components for prefabricated buildings; custom manufacture and assembly of prefabricated building components for use in commercial construction for others; manufacturing services for others in the field of prefabricated building components; custom manufacture of furniture; custom wood-working; custom manufacture of windows, window walls, door frames and structural parts therefor; custom building and manufacture of closets, cabinets, closet organizers, wall units, wall beds; custom construction of closets and storage space systems.

Class 42:

Computer services, namely, creating an on-line community for registered users in the fields of design, construction, property management, property development, project management and real estate experts to support building information modeling (BIM), participate in panel discussions, provide feedback, offer home, building and household management expertise, form virtual communities, and engage in social networking; residential building design; design and planning of new homes and new offices; interior design services, namely space planning, furniture selection, material and surface selection; providing a information in the field of interior and architectural design via a website; custom design and engineering of mechanical, electrical, and plumbing systems; design of prefabricated building components for use in commercial construction; architectural design of prefabricated houses design, advisory and consultancy services in relation to construction engineering, automation, design and development of steel based building systems.
