

Compliance action taken for childcare provision

Ref: EY379185/6092231

Date: 12 November 2025

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 3 July 2025, the provider notified us about matters relating to safeguarding policies and procedures, suitable people and changes that must be notified.

The notification means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of a significant event.

On 4 November 2025, we carried out a regulatory telephone call. We found that the provider had failed to notify Ofsted of a previous significant event, which is a requirement of their registration. The provider knows and understands their responsibility to notify Ofsted of notifiable changes. Furthermore, they have taken steps to enhance their internal communication processes.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
