The Childcare Register: inspection outcome - non-compliant

I inspected your childcare provision on 30 April 2026.

I found that you were not meeting all of the requirements for registration on the Childcare Register and I discussed the reason(s) for this during the visit.

We have therefore set the following actions:

ACTIONS

The following actions are to be completed by the date shown	Date
■ ensure that one person looking after children holds the appropriate training or a qualification relevant to the childcare provided	21/05/2026
■ ensure that one person holds an appropriate first aid qualification	28/05/2026
■ ensure that everyone providing childcare has obtained an enhanced DBS check	28/05/2026
■ ensure there is a register of the actual times children attend the provision.	14/05/2026

You must complete the actions by the dates shown.

Please read carefully the registration requirements for the Childcare Register which are described in Annex C of *The early years and childcare registration handbook*, which you can find on our website at

<https://www.gov.uk/government/publications/become-a-registered-early-years-or-childcare-provider-in-england> as you must meet these requirements in order to remain registered on the Childcare Register.

Yours sincerely
