

Complaint about childcare provision

Ref: EY499770/6162353

Date: 3 November 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 25, 26 and 29 September 2025, we received multiple concerns that the provider was not meeting requirements relating to safety and suitability of premises, environment and equipment.

On 29 October 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has taken appropriate action following a pest infestation. They have instructed a pest control company to eradicate the infestation to ensure regular monitoring can be carried out.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
