

Complaint about childcare provision

Ref: EY478257/6228042

Date: 11 December 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 28 November 2025, we received concerns that the provider was not meeting requirements relating to information and records and safer eating.

On 11 December 2025, we carried out a regulatory telephone call. We found that the provider was not meeting requirements. But had taken action to meet requirements. They have implemented further checks at mealtimes relating to children's dietary requirements, so that children received meals, that meet their individual needs. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
