

Compliance action taken for childcare provision

Ref: EY286538/5876623

Date: 21 November 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 12 November 2024, the provider notified us about matters relating to safeguarding policies and procedures, concerns about children's safety and welfare, staff: child ratios, and risk assessment. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 15 November 2024, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements. We issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 29 November 2024:

- ensure that children are adequately supervised at all times, with particular emphasis on children always being within sight and hearing of staff.

On 27 November 2024, the provider responded to the action set. We found the provider had taken steps to improve the deployment of staff when children are in their care. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
