

Compliance action taken for childcare provision

Ref: EY289506/6337761

Date: 11 June 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 19 March 2026, the provider notified us about matters relating to safeguarding practice, policies and procedures and whistleblowing. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of.

On 30 April 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take within the timescales set out. The provider will be able to give parents further information about this.

Action needed by 21 May 2026:

- make sure setting child protection procedures in relation to handling an allegation are in line with the local safeguarding procedures to take action in line with the advice given from the local safeguarding partners.

We will monitor the provider's response to ensure the action is successfully completed.

On 27 May 2026, the provider responded to the action set. We found that the provider had taken steps to ensure that proportionate action is taken if an allegation is made in future, in line with local safeguarding partner procedures. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
