

Compliance action taken for childcare provision

Ref: EY333589/6039609

Date: 29 May 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 May 2025, the provider notified us about an incident related to risk assessment. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 28 May 2025, we carried out a regulatory visit.

We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Actions needed by 18 June 2025:

- ensure that all staff receive training to help them understand their roles and responsibilities to meet the needs of all children and keep them safe
- provide adequate supervision for children with special educational needs and/or disabilities (SEND) to ensure their individual needs are met.

On 18 June 2025, the provider responded to the actions set. We found that the provider had improved staff knowledge and understanding of support for meeting the needs of all children, including those with SEND. The information gathered suggests that the provider is now meeting the requirements of their registration.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
