

Compliance action taken for childcare provision

Ref: 2502725/6158092

Date: 3 November 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 October 2025, we received concerns that the provider was not meeting some of the requirements relating to suitable people, key person and health.

On 29 October 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider and a notice to improve which requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 19 November 2025:

- ensure staffing arrangements meet the needs of all children
- ensure all children access planned outdoor activities and experiences on a daily basis.

We will monitor the provider's response to ensure the action are successfully completed. The provider is still registered with Ofsted.

On 14 November 2025, the provider responded to the actions set. We found that the provider had improved staffing arrangements to ensure they meet the needs of all children. Additionally, there are arrangements in place to ensure all children can access planned outdoor activities and experiences on a daily basis. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply

with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
