

Complaint about childcare provision

Ref: 314666/6219031

Date: 16 January 2026

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2 If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 November 2025, we received concerns that the provider was not meeting requirements relating to safety and suitability of premises, environment and equipment.

On 16 January, 2026 we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider had carried out an investigation and taken actions in a timely manner to address this. The provider has put in place a programme of training for staff around risk assessments. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.
