

Compliance action taken for childcare provision

Ref: EY449441/5748058

Date: 25 June 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2 If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 4 June 2024, the provider notified us of a serious incident. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event, which is likely to affect the suitability of the early years provider to look after children.

On 19 June 2024, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider carried out a thorough review to establish what had gone wrong. Appropriate actions have been identified to ensure that all children are kept safe. For example, the provider has developed their risk assessment practices and all staff are to be re-trained to ensure they understand how to identify any hazards and potential risks in the environment and are fully aware of the setting's procedures.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
