

Compliance action taken for childcare provision

Ref: EY562091/5715159

Date: 17 June 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 24 April 2024, the provider notified us of an incident that occurred where a child was left unattended for approximately 3 minutes. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event likely to affect the suitability of the provider.

On 03 June 2024 and 05 June 2024, we carried out regulatory telephone calls. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take.

Action needed by 21 June 2024:

ensure staffing arrangements always provide children with adequate supervision to ensure their safety and their needs are met.

On 20 June 2024, the provider responded to the action set. We found that the provider has implemented additional measures to ensure that, at no time, children can leave the setting unsupervised.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.
