Compliance action taken for childcare provision

Ref: 119248/6393806

Date: 12 June 2026

Summary of outcome

All early years providers must meet the legal requirements in the¿Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 May 2026, the provider notified us about an incident relating to safeguarding policies and procedures. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant incident.

On 29 May 2026, we carried out a regulatory visit. We found the provider was not meeting one of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 12 June 2026.

- take action to ensure all staff have robust understanding of their responsibilities to whistle blow safeguarding concerns in a timely manner to keep children safe.

On 12 June 2026, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of child protection policies and procedures. They had reviewed their policies with particular regard to the importance whistleblowing concerns in a timely manner. Additionally, staff had undergone further training to strengthening their understanding of reporting processes. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.
