

Complaint about childcare provision

Ref: EY489097/6117708

Date: 31 October 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 06 August 2025 we received concerns that the provider was not meeting requirements relating to accident or injury, safeguarding policies and procedures, staff: child ratios, paediatric first aid, safety of premises, risk assessment, changes that must be notified to Ofsted.

On 31 October 2025, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements and had taken action to put this right. The provider had improved their risk assessment procedures, to ensure that any potential hazards are identified and appropriate steps are taken to minimise these.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.

For further information about the complaints process please view the [Concerns and complaints about childminders and childcare providers leaflet](#).
