

## **Compliance action taken for childcare provision**

Ref: EY562840/6066180

Date: 2 August 2025

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 11 June 2025, we received concerns that the provider was not meeting requirements relating to safeguarding policies and procedures.

On 31 July 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right.

They are now secure in their understanding of what needs to be reported to safeguarding partners regarding the suitability of staff working in the setting.

We also found the provider had failed to notify Ofsted of this significant event. It is an offence to fail to notify Ofsted of any significant event. Following the discussion, they now understand their responsibility to notify Ofsted as required.

This did not impact on the safety of the children or the running of the nursery.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

## **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at [www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted](http://www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted).
