The Childcare Register: inspection outcome - non-compliant

I inspected your childcare provision on 28 May 2026.

I found that you were not meeting all of the requirements for registration on the Childcare Register and I discussed the reason(s) for this during the visit.

We have therefore set the following actions:

ACTIONS

The following actions are to be completed by the date shown	Date
■ ensure at least one person looking after the children has either a minimum level 2 qualification in an area of work relevant to the childcare provided or training in the common core skills	26/06/2026
■ ensure information about children's activities, copies of written policies and Ofsted's role in registering and regulating childcare is given to parents	26/06/2026
■ tell Ofsted about any changes to the manager	26/06/2026

You must complete the actions by the dates shown.

Please read carefully the registration requirements for the Childcare Register which are described in Annex C of *The early years and childcare registration handbook*, which you can find on our website at <https://www.gov.uk/government/publications/become-a-registered-early-years-or-childcare-provider-in-england> as you must meet these requirements in order to remain registered on the Childcare Register.

Yours sincerely
