

Compliance action taken for childcare provision

Ref: 2536707/6074608

Date: 3 October 2025

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 June 2025, the provider notified us about matters relating to safeguarding policies and procedures, concerns about children's safety and welfare, staff: child ratios, supporting and understanding children's behaviour and safety and suitability of premises, environment and equipment. The notification means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of a significant event.

On 15 September 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has reviewed their risk assessment arrangements for outdoor play. Staff have received further training to help them support children's behaviour and the provider has liaised with other agencies accordingly. The available outdoor space has been reconsidered with the creation of a smaller area for children to use. This means that children are supervised effectively at all times.

We are satisfied with the action taken. The provider remains registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
