

Compliance action taken for childcare provision

Ref: 2832545/6163671

Date: 24 October 2025

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 26 September 2025, the provider notified us about matters relating to staff: child ratios, training and skills, safety and suitability of premises, environment and equipment. The notification means that the provider met their legal responsibility as set out in the 'Statutory framework for the early years foundation stage' to notify Ofsted of a significant event.

On 7 October 2025, we carried out a regulatory visit. We found that the provider was not meeting one of the requirements and had taken action to put this right. The provider has provided staff training, to strengthen staff knowledge and understanding of the procedures to be used when children are moving around the building. This includes into the bathroom and outdoor areas. In addition, the provider has increased the monitoring of the procedures to ensure they are consistently followed. This has helped to maintain children's safety when moving around the building and when accessing the outdoor areas.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
