

Compliance action taken for childcare provision

Ref: EY338966/5847281

Date: 26 November 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 7 October 2024, we received concerns that the provider was not meeting requirements relating to learning and development, suitable people, information and key person arrangements.

On 12 November 2024, the provider notified us about an incident relating to children's health. On 18 November 2024, the provider notified us about a matter relating to suitable people. These notifications mean that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant incidents.

On 21 November 2024, we carried out a regulatory visit. We found the provider was not meeting one of the requirements. We issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 18 December 2024:

- ensure parents are informed of the setting's procedures for taking appropriate action if children are ill or infectious, to prevent the spread of infection, and to promote children's wellbeing.

On 18 December 2024, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of how to promote children's health and welfare. We are satisfied the provider has met the actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
