

Complaint about childcare provision

Ref: 2602999/6130217

Date: 30 October 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 August 2025, we received concerns that the provider was not meeting requirements relating to children's safety and welfare and staff, child: ratios and special educational needs.

On 21 October 2025, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements in relation to risk assessment and had taken action to put this right. The provider has improved risk assessment in relation to entry and exit of the premises. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of complaints

We publish details of complaints made against childminders, home childcarers and childcare providers where we or the provider have taken action in order to meet legal requirements.

We publish details of complaints on our website for a period of five years.
