

Compliance action taken for childcare provision

Ref: 2564136/5828786

Date: 10 October 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 September 2024, the provider notified us of a serious accident to a child while in their care. This means they met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted.

On 10 October 2024, we carried out a regulatory telephone call. We found that the provider keeps written records of accidents and injuries to children and informs parents of these.

We also found the provider was not meeting some of the requirements and had taken action to put this right. The provider has now taken all reasonable steps to ensure that children in their care are not exposed to risks. They have implemented a written risk assessment to inform staff practice. All staff have attended meetings, training and coaching to ensure they understand the risk assessment and how to keep children safe. The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
