

Compliance action taken for childcare provision

Ref: 2637894/6100314

Date: 29 October 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On, 17 July 2025 the provider notified us about matters relating to safeguarding policies and procedures, staff: child ratios and risk assessments. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 29 October 2025 we completed a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has ensured that staff undertake head counts every hour to be certain that staff are aware of where children are at all times and to remind them of the importance of this. They have ensured that staff have undertaken training regarding the importance of head counts, deployment of staff, supervision of children as well as more frequent team meetings to ensure staff understand the fire drill procedures thoroughly.

The provider will be able to give parents further information about this.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply

with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
