

Compliance action taken for childcare provision

Ref: EY433966/6090398

Date: 12 August 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 25 June 2025 the provider made a notification relating to matters about health, safety and suitability of premises, environment and equipment and information and record keeping. Although the provider notified us that they were undertaking changes to the premises, the notification was not made within the required timescale. This means that the provider did not meet their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of changes to the premises which may affect the space available to children and the quality of childcare available to them.

On 12 August 2025, we carried out a telephone regulatory call. We found that the provider had robust risk assessments in place to keep children, staff and visitors safe whilst the building work was undertaken. Additionally, they understand their legal responsibility to make timely notification to Ofsted.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
