

Compliance action taken for childcare provision

Ref: EY304851/6236732

Date: 17 December 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 December 2025, we carried out a regulatory visit. We found the provider was not meeting a requirement. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 18 December 2025:

- ensure children are always within sight and hearing of a member of staff while eating.

We will monitor the provider's response to ensure the action is successfully completed.

On 19 December 2025, the provider responded to the action set. We found that the provider had improved staff knowledge and understanding of the requirements for safer eating. They have reviewed the layout of dining tables and deployed staff effectively so that children are in sight and hearing at all times. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
