

Compliance action taken for childcare provision

Ref: EY365933/6219918

Date: 15 January 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 21 November 2025, we received concerns that the provider was not meeting requirements relating to health, safety and suitability of premises, environment and equipment and information and record keeping. On 28 November 2025, the provider notified us about matters relating to the same requirements. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 13 January 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider completed an investigation into the notifiable event. They have refreshed staff's knowledge of the procedures that they must follow in the event of an accident or injury. The provider has ensured that staff now understand their responsibilities to complete accident record forms on the day of any incident, to ensure that the correct medical advice can be sought if necessary.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
