

Complaint about childcare provision

Ref: EY496435/6161834

Date: 30 October 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 25 September 2025, we received concerns that the provider was not meeting requirements relating to training, support and skills; staff: child ratios; safety and suitability of premises, environment and equipment; information and record keeping.

On 20 October 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider has taken action to improve the safety of the premises. They have provided staff with training on how to implement the setting's risk assessments in practice consistently. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
