

Complaint about childcare provision

Ref: EY550925/6200930

Date: 17 November 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 04 November 2025, we received concerns that the provider was not meeting requirements relating to Safety and suitability of environment and equipment. On 03 November 2025, the provider notified us about matters relating to the same requirements.

On 17 November 2025, we carried out a regulatory telephone call. We found the provider was not meeting one of the requirements and had taken action to put this right. This includes reviewing risk assessments, refreshing staff training in relation to daily checks and risk assessments and have also reviewed their learning environment, to help keep children safe while in their care.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.
