

Compliance action taken for childcare provision

Ref: 101673/6396439

Date: 16 June 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage (EYFS), which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 15 May 2026, the provider notified us about matters relating to insurance. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the EYFS to notify Ofsted of any significant event which is likely to affect the suitability of the early years provider to look after children.

On 16 June 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements and had taken action to put this right. The provider became aware that their insurance policy had expired. The provider has taken satisfactory action as their insurance policy is within date and they now understand the importance of ensuring continual insurance cover. We also found that the provider had failed to notify Ofsted of changes to committee members within 14 days. This is an offence. The provider has taken satisfactory action as they have since informed Ofsted of all committee members, and they now understand their responsibility to ensure that Ofsted are notified of any changes to committee members in future. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
