

Compliance action taken for childcare provision

Ref: 2619729/5854180

Date: 20 November 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2.

If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 16 October 2024, the provider notified us about the safety and suitability of premises, environment and equipment. The notification means that the provider met their legal responsibility, as set out in the Statutory framework for the early years foundation stage, to notify Ofsted of any serious accident to a child in their care.

On 8 November 2024, we carried out a regulatory visit. We found that the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 20 December 2024:

- ensure that all risks to children are identified and minimised appropriately
- provide staff with training about health and safety issues that helps them to fulfil their roles and responsibilities to keep children safe.

On 17 December 2024, the provider responded to the actions set. We found that the provider had revised their risk assessments and provided health and safety training for staff. We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
