

Compliance action taken for childcare provision

Ref: 2844280/6321089

Date: 4 June 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 3 March and 24 April 2026, the provider notified us about matters relating to staff suitability and supporting and understanding children's behaviour. The provider made further notifications to us on 2 April and 22 April 2026 about matters relating to accidents and injuries and changes that must be notified to Ofsted.

On 21 May 2026, we carried out a regulatory visit. During this visit the provider notified us of two further matters relating to safer eating. We found that the provider was not meeting some of the requirements and had taken action to put this right. This included reviewing their procedures to ensure that all notifications to Ofsted are reported within the required timeframe. The provider has provided training and mentoring to staff to support them in managing children's behaviour effectively. They have reviewed their procedures to ensure that children are not exposed to foods they are allergic to.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
