

Compliance action taken for childcare provision

Ref: EY372857/6342434

Date: 18 June 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 24 March 2026, the provider notified us about matters relating to suitable people. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 17 June 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 6 July 2026:

- ensure that staff members are aware of the safer eating guidance and put this into practice.
- ensure staff are aware of the settings whistleblowing procedures and demonstrate that they understand what to do in the event of a concern about another staff members practice.
- ensure that the safeguarding policy includes numbers of safeguarding agencies.

On 23rd June, the provider responded to the actions set. We found that the provider had improved their knowledge and understanding of safer eating guidance, whistleblowing and have updated their safeguarding policies. We are satisfied the provider has met the actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
