

## **Compliance action taken for childcare provision**

Ref: 2644372/6039917

Date: 3 June 2025

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 May 2025, the provider notified us about an incident relating to staff: child ratios and Safety and suitability of premises, environment and equipment. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant incident.

On 19 May 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 4 June 2025:

- ensure staff-to-child ratios are met and staff are deployed effectively, so that children remain within sight and/or hearing at all times
- ensure there are clear risk assessments that identify how best to keep children safe when using the outdoor space

On 28 May 2025, the provider responded to the actions set. We found that the provider had reviewed their procedures to ensure that they meet the staff-to-child ratios. The provider has also updated their risk assessments to ensure that they meet children's needs and to help keep them safe. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
