

Compliance action taken for childcare provision

Ref: EY558338/6395791

Date: 2 July 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 29 April 2026, the provider notified us about matters relating to concerns about safeguarding policies and procedures, whistleblowing, concerns about children's safety and welfare, suitable people, disqualification, safeguarding training and supervision of staff. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted.

On 26 June 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 17 July 2026:

- ensure that staff with lead responsibilities for safeguarding fully understand and effectively implement safeguarding procedures
- ensure that all staff understand and are confident to implement the setting's safeguarding policy and procedures on an ongoing basis
- ensure all staff are aware of the setting's whistleblowing procedures and feel able to raise concerns about poor or unsafe practice, confident that such concerns will be taken seriously by the senior leadership team
- ensure that there are regular opportunities for staff to raise any concerns about children's

safety and wellbeing and that appropriate action is taken to respond to any concerns that are identified

- implement effective procedures to ensure that those working with children remain suitable, including processes to make a referral to the Disclosure and Barring Service (DBS) if a member of staff is dismissed.

We will monitor the provider's response to ensure the actions are successfully completed. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
