

Compliance action taken for childcare provision

Ref: EY313729/5980752

Date: 18 July 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 11 March 2025, the provider notified us about matters relating to safeguarding policies and procedures and suitable people. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 31 March 2025, 7 April 2025 and 8 July 2025, we carried out regulatory telephone calls. We found the provider was not meeting some of the requirements and had taken swift action to put this right. The provider had implemented staff training to improve their knowledge and understanding of the procedures to follow, should they have concerns about a colleague's conduct. The provider had reviewed and amended policies and procedures to align with the companies' expectations of staff behaviour, conduct and the safe and respectful care of children. This helps staff to understand their roles and responsibilities, respond appropriately to any concerns that may arise and keep children safe.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
