

Compliance action taken for childcare provision

Ref: 508442/6291598

Date: 24 February 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 2 February 2026, the provider notified us about matters relating to concerns about children's safety and welfare. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 3 February 2026, we received concerns that the provider was not meeting the requirements relating to safeguarding policies and procedures, special educational needs, concerns about children's safety and welfare, safety and suitability of premises, environment and equipment, and information and record keeping.

On 23 February 2026, we carried out an unannounced regulatory visit. We found the provider was meeting the requirements relating to safeguarding policies and procedures, special educational needs, concerns about children's safety and welfare, and safety and suitability of premises, environment and equipment.

However, during the regulatory visit on 23 February 2026, we found new areas of concern. This means that the provider was not meeting some other requirements as set out in the Statutory framework for the early years foundation stage, but they had taken action to put this right. The provider has taken prompt action to reflect, reassess and improve their knowledge and understanding of data protection requirements to ensure children's welfare is maintained.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
