

Compliance action taken for childcare provision

Ref: EY551273/6370906

Date: 11 June 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at

www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 22 April 2026, the provider notified us about an incident in relation to risk assessments. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events where a child or children may have been at risk of harm.

On 1 June 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Action needed by 29 June 2026

ensure protocols for whistleblowing procedures are securely embedded amongst all staff, and that they know that any concerns they raise are acted upon and taken seriously by the senior leadership team

ensure all staff fully understand and always carry out their roles and responsibilities regarding risk assessments.

We will monitor the provider's response to ensure the actions are successfully completed. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
