

Compliance action taken for childcare provision

Ref: EY539726/5716236

Date: 24 June 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 March 2024 and 16 April 2024, the provider notified us of two allegations made against staff. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of allegations of harm or abuse.

On 21 April 2024 and 1 May 2014, we received concerns that the provider was not meeting some of the requirements as set out in the Statutory framework for the early years foundation stage.

On 13 June 2024, we carried out a regulatory visit. We found the provider was not meeting one of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 20 June 2024:

- ensure that all staff fully understand the setting's safeguarding policy and procedure, with a particular focus on responding to allegations in a timely and appropriate way.

On 20 June 2024, the provider responded to the action set. We found that the provider had improved staff's knowledge and understanding of all safeguarding procedures.

We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
