

Compliance action taken for childcare provision

Ref: 139107/6036289

Date: 22 May 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 1 May 2025, the provider notified us about matters relating to concerns about children's safety and welfare. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 20 May 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 4 June 2025:

- ensure that staff are aware of and implement appropriate strategies to manage children's behaviour
- ensure that all instances of necessary physical intervention are recorded, and parents are informed as soon as possible.

On 23 May 2025, the provider responded to the actions set. We found that the provider had arranged training for staff to help them understand and implement appropriate strategies to manage children's behaviour. They had taken steps to improve staff knowledge and understanding, so that all instances of necessary physical intervention are recorded, and parents are informed as soon as possible. We are satisfied the provider has met the safeguarding and welfare actions raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply

with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
