

Compliance action taken for childcare provision

Ref: EY345251/6310413

Date: 23 April 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 20 February 2026, the provider notified us about matters relating to safeguarding policies and procedures, whistleblowing and concerns about children's safety and welfare. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event which is likely to affect the suitability of any person who cares for/is in regular contact with children on the premises.

On 22 April 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 6 May 2026:

- ensure staff supervisions provide effective support for staff to allow opportunities for sensitive and confidential discussions
- ensure effective procedures are in place to obtain information about staff's ongoing suitability and this is kept up to date
- ensure all individuals responsible for leading on safeguarding concerns are fully knowledgeable and capable to do so.

We will monitor the provider's response to ensure the actions are successfully completed.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the

enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
