

Compliance action taken for childcare provision

Ref: 2607489/5842292

Date: 22 November 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 30 September 2024, the provider notified us about an incident relating to safeguarding policies and procedures, safety and suitability of premises, environment and equipment, and information and record keeping. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of a significant event.

On 7 November 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 21 November 2024:

- ensure all staff, including the manager receive safeguarding training, so that they know the correct procedures to follow if there is a concern about a child's welfare or an allegation is made about a member of staff.

We will monitor the provider's response to ensure the action is successfully completed.

On 21 November 2024, the provider responded to the action set. We found that the provider had taken action to improve staff's knowledge and understanding of child protection procedures, including the correct procedures they should follow if allegations are made against staff. We are satisfied the provider has met the safeguarding and welfare actions raised.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services

we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
