

Compliance action taken for childcare provision

Ref: 2711813/5600149

Date: 1 December 2023

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 23 November 2023, the provider notified us of a significant event which is likely to affect the suitability of any person who is in regular contact with children on the premises where childcare is provided. The notification means that the provider met their legal responsibility as set out in the *Statutory framework for the early years foundation stage* to notify Ofsted, however, they did not do this in the required timescale.

On 29 November 2023, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements as they had failed to inform us of a significant event within the required timescale. The provider had also failed to inform other agencies in a timely manner. However, following discussion the provider has given reassurance that they would take the correct action in the future.

The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to

bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
