

Compliance action taken for childcare provision

Ref: 2735050/6272496

Date: 7 April 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 8 January 2026, we carried out an inspection and found the provider was not meeting some of these requirements.

The provision was graded to be urgent improvement. The inspection report card sets out the actions the provider was required to take to meet the requirements.

On 25 February 2026, we carried out a regulatory visit. The focus of the visit was to check whether the provider had met the safeguarding and welfare actions raised at their last inspection. We found that the provider had not met the actions set in the welfare requirement notice.

We took steps to cancel the provider's registration. On 4 February 2026, the provider objected to us taking this step. Having heard the provider's reasons for objecting to this step, we did not uphold the objection, so decided to proceed with cancellation. The provider had a right to appeal against cancellation.

On 17 April 2026, the provider notified us of their wish to resign their registration. We accepted their resignation and the setting is no longer registered to provide childcare.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
