

Compliance action taken for childcare provision

Ref: EY277886/6269939

Date: 9 February 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 13 January 2026, the provider notified us about matters relating to safeguarding policies and procedures. On 19 January 2026, the provider notified us about matters relating to health. Furthermore, on the 3 February 2026, the provider notified us about two separate matters relating to information and record keeping and staff: child ratios. The notifications means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of significant events.

On 9 February 2026, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued an action for the provider to take. The provider will be able to give parents further information about this.

Action needed by 23 February 2026:

- ensure that staff in the younger rooms are consistently deployed effectively to meet the needs of the children, both indoors and outdoors.

On the 23 February 2026, the provider responded to the action set. We found that the provider had improved their knowledge and understanding of child protection procedures. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
