

## **Compliance action taken for childcare provision**

Ref: 2656214/5967845

Date: 27 June 2025

### **Summary of outcome**

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at [www.gov.uk/government/publications/early-years-foundation-stage-framework--2](http://www.gov.uk/government/publications/early-years-foundation-stage-framework--2). If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On review of information we held about the setting, we visited them on 9 May 2025 following a period of closure. The purpose of the visit was to gain an overview of previous actions set and to ensure that the provider continued to meet the requirements of registration.

During a regulatory visit we found the provider was not meeting some of the requirements. We have served a welfare requirements notice. This is a legal notice that requires the provider to take the actions below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 23 May 2025:

- ensure that risk assessments identify and address potential hazards to minimise the risk of harm to children

On 13 June 2025, we carried out a regulatory visit to monitor if the provider had met the action set. We found that the provider had improved their knowledge and understanding of risk assessment. We are satisfied the provider has met the safeguarding and welfare action raised.

The provider is still registered with Ofsted.

### **Publication of compliance action**

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
