

Compliance action taken for childcare provision

Ref: EY383966/5714365

Date: 17 May 2024

Summary of outcome

All early years providers must meet the legal requirements in the 'Statutory framework for the early years foundation stage', which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 23 April 2024, we received concerns that the provider was not meeting some of these requirements. On 07 May 2024, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We served welfare requirements notice. This is a legal notice that requires the provider to take the action below within the timescales set out. The provider will be able to give parents further information about this.

Actions needed by 28 May 2024

take steps to put in place a qualified manager who has sufficient knowledge, skills and capabilities to carry out their role and responsibilities effectively

put in place effective arrangements to support children with SEND

improve knowledge and understanding of notifiable events to Ofsted, including changes to management.

On 28 May 2024, we carried out a regulatory visit to monitor the actions. The provider has taken appropriate action to meet requirements. A new manager has been recruited. The provider has reviewed the support for children with SEND and is working with other agencies to ensure that children get the support they need. The provider has shown improved knowledge on their understanding of events that are notifiable to Ofsted.

The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
