

Compliance action taken for childcare provision

Ref: 2887586/6330465

Date: 24 April 2026

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 9 March 2026, the provider notified us about matters relating to safeguarding policies and procedures, concerns about children's safety and welfare, safeguarding training, staff:child ratios and supervision of staff. The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant event which is likely to affect the suitability of any person who is in regular contact with children on the premises where childcare is provided.

On 13 April 2026, we carried out a regulatory telephone call. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 20 April 2026:

- ensure that safeguarding policies and procedures are updated and effectively implemented so that referrals to the Disclosure and Barring Service are made in a timely manner and in line with statutory guidance.

On 24 April 2026, the provider responded to the action set. We found that the provider had improved policies and procedures to ensure Disclosure and Barring Service referrals are made in line with statutory guidance. We are satisfied the provider has met the safeguarding and welfare action raised. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
