

Compliance action taken for childcare provision

Ref: EY550960/5993341

Date: 8 May 2025

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 25 March 2025, we received concerns that the provider was not meeting requirements relating to staff:child ratios and qualifications, training, support and skills.

On 6 May 2025, we carried out a regulatory visit. We found the provider was not meeting some of the requirements. We have issued actions for the provider to take. The provider will be able to give parents further information about this.

Actions needed by 20 May 2025:

- ensure that there are sufficient staff to provide adequate supervision at all times and meet the needs of all children
- improve induction procedures to ensure all staff understand their roles and responsibilities and have the knowledge required to meet the needs of children in their care.

On 15 May 2025, the provider responded to the actions set. We found that the provider had reviewed their staffing arrangements to ensure sufficient supervision at all times. They had improved their induction procedures to ensure all staff have the knowledge required to meet the needs of children in their care. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.
