

Compliance action taken for childcare provision

Ref: EY539602/5832190

Date: 16 October 2024

Summary of outcome

All early years providers must meet the legal requirements in the Statutory framework for the early years foundation stage, which you can find at www.gov.uk/government/publications/early-years-foundation-stage-framework--2. If we find that a provider is not meeting the requirements, we can take action to ensure they put matters right.

On 18 September 2024, the provider notified us about: safety and suitability of premises, environment and equipment (including accident or injury, safety of premises, indoor space requirements, outdoor access, sleeping arrangements, baby room, toilets and intimate hygiene, organising premises for confidentiality and safeguarding, insurance, safety on outings and risk assessment). The notification means that the provider met their legal responsibility as set out in the Statutory framework for the early years foundation stage to notify Ofsted of any significant accidents or injuries.

On 14 October 2024, we carried out a regulatory visit. During this visit, we found that the provider previously failed to follow the correct safeguarding reporting procedures when dealing with any allegations made about a member of staff. This is a breach of requirements. The provider will be able to give parents further information about this. The provider is still registered with Ofsted.

Publication of compliance action

We aim to ensure that the welfare of children and young people is protected in the services we regulate. The Childcare Act 2006 and accompanying regulations set out our responsibilities to regulate childminders and childcare providers. This includes the enforcement powers we have in relation to those registered providers who do not comply with the requirements for registration.

We publish details of any actions we take, or the childminder or childcare provider takes to bring about compliance with requirements on our website for a period of five years.

For further information please read the Early years compliance handbook which can be found here at www.gov.uk/government/publications/early-years-provider-non-compliance-action-by-ofsted.
